Board of Directors Update 23-24

Sarah Stockton, President Gail Worden, Past President Eric Cadena, President-Elect Zach Everly, Secretary Matt Snell, Director, State Events Amy Schroeder, Director, All-State Festival Brian Leduc, Member-at-Large

Sign up for the MSVMA Partner Program is open through August 15.

The purpose of the MSVMA Partner Program is to connect and support not only all teachers, but especially those new to the field or to their role. In a collaborative effort, we utilize the expertise of seasoned teachers who have a desire to work alongside an assigned mentee. We are here to connect both mentees and mentors alike. The MSVMA Partner Program is designed to match participants based on grade level, specialty, and/or specific needs.

I think I echo the sentiments of many MSVMA members when I say that the help and encouragement I feel from other members helps me get through the school year. Bouncing ideas off of each other, listening and comparing successes and opportunities, sharing resources...all of these things (and more) truly help make me feel part of a collaborative community. The Partner Program is designed to encourage this type of collaboration between members; we have a robust and diverse community in our state and this program is intended to help facilitate the exchange of ideas and support that are so incredibly valuable to our profession and our well-being!

If you'd like to learn more, visit the webpage at **MSVMA Partner Program**. If you are ready to sign up, you can use this direct link to **register**.

Registration for this enrollment period is open through August 15. We would love to get this program off to a strong start. Feel free to contact Brian Leduc, Member-at-Large or Sarah Stockton, President with any questions.

Collaborative Pianist Registry Announced

MSVMA is excited to announce the addition of a Collaborative Pianist Registry to connect the amazing

pianists of Michigan with our vocal music educators. This list will serve as a reference for vocal music educators, who are members of Michigan School Vocal Music Association. Being listed as a collaborative pianist does not guarantee employment, but allows for exposure amongst the membership. Interested in being listed in our registry? Sign up here!

MSVMA has created a directory of collaborative pianists around the state that are separated by district. You must be logged in to view the directory. Click here to find collaborative pianists in your area.

Volunteer Spotlight

Les Rowsey coordinator, all-state festival

How long have you volunteered for MSVMA?

I've volunteered in one capacity or another almost since the beginning of my teaching career. I started teaching in the fall of 1977, and I think I was District 6 Manager before I left for Graduate School in 1982. I was adjudicating before I went to Grad School at WMU.

What is your favorite choral piece that you've directed or sung?

That's a REALLY hard question, but let's give it a whirl! Benjamin Britten's "Rejoice in the Lamb" is my favorite "traditional" piece that I have conducted, especially the multi-meter section. As for popular/jazz pieces, Gene Puerling's arrangement of "London by Night" is brilliant, and the kids at Jenison did a tremendous job with it, too.

What do you like to do with your free time outside of changing lives through music education?

I am a coin collector. My dad started me at age four by giving me an 1889-O Morgan Silver Dollar that I still have. I love my classic Ford car, and I collect records, starting with "45s" when I was nine, and I now have close to 1,400 of them from the 50's, 60's, 70's, and 80's. Everything from my mom's "Chanson D'amour" in 1958 to "Everybody Wants to Rule the World." #Eclectic!

What advice would you give to a young teacher? Three things:

1. Teach voice and musicianship. Have your kids leave your classroom with singing and musicianship skills to last them a lifetime!

2. Don't be afraid to ask questions. There is a collective wealth of knowledge in MSVMA. If I can ever help, please ask!

3. Be (appropriately!) transparent, but love on your students!

Challenge them to work hard, and let them see that in you! And know that the vast majority of us are cheering you on and celebrating your successes!

Meet your District Managers

Favorite Food: My favorite food is a tie between pot roast, bacon double cheeseburger, french fries or pizza.

Fun Fact: I'm in the 1994 Barbra Streisand "The Concert" video!

Hobbies: My hobbies are playing volleyball, collecting Broadway music and CD's.

Favorite TV Show/Movie: My favorite movie is Yentl and I have too many favorite TV shows to name.

Favorite Book: I love to read the book Wicked.

Your #1 song that gets replayed (or song that you'll sing your heart out too): "Potato's In The Paddy Wagon" from A Mighty Wind.
